Add Volunteer Role

To add a volunteer role, first click the Volunteer tab on the My Account menu. Click the Find Volunteer Roles button.

You will be taken to a page that shows roles specific to the team[s] of your players. You might not have players enrolled, or you might be volunteering for another role.

- If you see the role, you want, click on [Sign Up] and then [Continue].
- If the role you want isn't shown, click on ---Show More--- at the bottom. Then choose the program (probably Fall Rec for coaching, Volunteer Registration for anything else.) Click [Select] and then [View Available Positions]
- When you see the role you want, click [Sign Up] and then [Continue].

To find out more about a role, you can usually hover over the (i) for information.
